

The map illustrates the planned tram system for Słupsk, showing the layout of the tracks and the locations of the stops. The tram lines are indicated by red rectangles, and the stops are marked with green squares. The map includes the city center, surrounding districts, and major roads. The tram system is designed to connect various parts of the city, including the city center, the airport, and the surrounding districts. The map also shows the location of the city's main roads and the city's boundaries.
